Profile Summary

Dedicated IT professional with a strong background in web development, machine learning, 3D modeling, and software development. Additionally, I am a skilled graphic designer with expertise in UI/UX design, creating visually compelling presentations, logos, and websites. Holding a BSc (Hons) in IT, I aim to leverage technology and design to address real-world challenges and contribute to societal progress. I am passionate about continuous learning and collaboration, seeking opportunities to work with like-minded professionals and organizations.

Core Competencies

1. **Web Development:** React.js, Node.js, HTML, CSS, Bootstrap, Tailwind CSS, WordPress
2. **Programming Languages:** JavaScript, Python, Java
3. **Databases:** MySQL, SQLite, Firebase
4. **APIs:** REST APIs, Fast API
5. **Mobile App Development:** Flutter, Android Studio
6. **Design & Creative:** Adobe Creative Suite (Photoshop, Illustrator, Lightroom), Figma, Canva
7. **Productivity:** MS PowerPoint, Word, Excel
